25X1

Cline reported on contacts with [redacted]

[redacted] in connection with [redacted]

25X1

Cline was advised not to push for an NPIC role in field read-out of photography. He stated he would consult with the DCI today on a survey of NPIC.

Kirkpatrick reported on arrangements for a DCI meeting with the Clifford Board on 4 February.

DCI asked DDP to arrange to make a report on the [redacted] atomic energy program available to [redacted] and the US inspection team.

25X1

25X1

DCI advised DDI on how to proceed with the briefing for the Senate Foreign Relations Committee on 26 January.

DCI stated that the Vice President plans to visit the Agency for a series of briefings. At that time he will be assigned a regular briefing officer.

mf

DCI asked Houston to check with Senator Russell to see if the Senator desired a meeting with his select Committee prior to 9 February.

DCI also asked Houston to follow up on arranging a meeting with Representative Rivers and his Committee.

DCI noted high-level displeasure over press leaks and advised the staff to be extremely careful in its contacts with journalists.
